The check was from the Van Metre Foundation. MTVAC members & staff also helped raise another \$350 from the recent Bracket Challenge Fundraiser—Special Thanks to tennis member **Randall Yim** who donated his winnings back the charity!*

Alice's Kids is founded on the belief that a little help can go a long way. One of the key goals of the program is raising the self-esteem of a child in need. The organization hopes to have a profound impact as children with a healthy self-esteem feel good about themselves, do better in school, and are more successful.
